WARRANTY

Limited lifetime against cracks, splits or rusting through. See warranty document for complete details.

CONSTRUCTIONS

VANTAGE

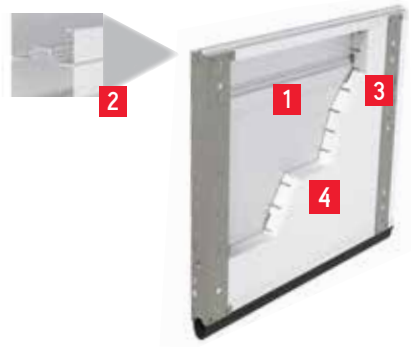
Triple-layer: steel + insulation + steel

1. **26-gauge** pre-painted galvanized steel for high durability
2. **2" tongue and groove** meeting rail to provide a weather-tight seal between sections, and rails are hemmed the entire length of the section for added strenght and safety
3. **Polystyrene insulation** pressure bonded between two layers of steel for energy efficiency
4. **20-gauge white baked-on paint finish end stiles** for a nice clean look
5. **Full length reinforcing plates** to solidly attach hinges and struts

WIND LOAD Option — Wind load reinforcement available as an option.

REGAL N24 & REGAL N25

Single-layer: steel OR Double-layer: steel + insulation



1. **2 options of outside layer:** heavy duty steel or steel for high durability
2. **2" tongue and groove** meeting rail to provide a weather-tight seal between sections, and rails are hemmed the entire length of the section for added strength and safety
3. **20-gauge galvanized end and center stiles** to increase strength and durability
4. **Polystyrene vinyl-backed insulation** available as an option

WIND LOAD Option

Wind load reinforcement available as an option.
